The Journal of Nonprofit Management (JNPM) is a multidisciplinary peer-reviewed open access journal published in German and English.

JNPM is aimed at practitioners and researchers and managers of nonprofit organisations and services. The journal publishes articles based on original research or presenting trends and good practices and addresses different disciplines, sub-disciplines and fields to contribute to the discussion with basic articles, concepts and practical contributions.

Papers submitted to JNPM are first carefully reviewed by the Editorial Board. Papers that do not meet editorial needs; are methodically flawed; or lack originality will be rejected. Papers which pass the Editorial review will be sent out to peer-review.

For the next issue 2024, the Editorial Board of the Journal of Nonprofit Management invites submissions that make a strong theoretical or empirical contribution to the topic:
